

NEW ARTISTS 2024

New Artists 2024: A Juried Regional High School Art Exhibition

March 8th - April 14th

East and McDonald Galleries

Forty-five years ago, the New Artists Exhibition was established to recognize the best high school artists in the area for their creativity, talent, and dedication. New Artists 2024 is made possible by the ongoing collaboration between the Art Museum of Greater Lafayette, the Art League, teachers, students, and private partners.

A total of 165 pieces were submitted by high school art teachers from 8 regional schools. Our judges, Will Ryan and Darlene Mitchell, carefully selected 113 of those works to be featured in the exhibition. Mediums selected this year include ceramics, digital art, drawing, painting, photography, printmaking, sculpture & jewelry, and mixed media.

An overall Best of Show is awarded, as well as prizes for 1st, 2nd, 3rd, and Honorable Mention in each category. Special awards were also given by local businesses and individuals. This year, over \$7,000 in cash awards were presented to these student artists.

Congratulations to everyone represented in the 2024 New Artists exhibition!
